A NOTE FROM THE DIRECTORS

Tonight you are seeing what 3 days of immersion in marching band yields...hot, sweaty, sun-drenched kids who can march together and the pre-game show, and sound GREAT on our show tunes for the fall! Welcome back everyone! Thanks to 2 freshman marching days, the new members have been blended right into the band. This has been a terrific time for everyone to get to know each other with more than 50 students new to the band this year. You'll be hearing about activities and volunteer opportunities to be part of Band Boosters of Lake Zurich...the first event is the car wash on August 13th at the high school. Friday night football games start on Sept 2nd with weekly 2 hour night rehearsals beginning on Aug 23rd. We will continue to keep you informed...email is the preferred method, so please keep your eSchool account up to date as that is how we communicate!

We are glad to have you all in the band "family" - Josh and Sheri

WHAT IS THE BAND BOOSTERS OF LAKE ZURICH?

If you are a freshman parent, welcome. If you are a veteran, welcome back. We at BBLZ are a group of parents who are willing to help the LZHS Band become an exciting adventure for your student. We assist our directors with special events, fundraising for band needs, & help out with other band related issues. Our current board is very dedicated to the band, but we are ALWAYS looking to add new members who are willing to help with the experience. WE ENCOURAGE YOU TO COME TO OUR NEXT MEETING! Your involvement will make a difference in your student's band experience!

FUNDRAISING OPPORTUNITIES

BAND CAR WASH – August 13

We are preparing for our annual car wash fund raising event to be held next Saturday, August 13th from 9:00 – 3:00 at the LZHS PAC parking lot. (Rain date: August 14)

This year we will be selling tickets in advance and need your assistance. We are asking each band member to purchase 4 tickets at \$5 each – that is \$20 per student. They may use them or sell them to friends and family.

The car wash is a very important fund raiser for us and helps pay for some of the specialty instruments that make our band program so successful. We try to make the fundraising campaigns as easy as possible on you and your student. That is why we are asking you to help us with this request.

Thanks and hope to see you at the car wash!

Sincerely,
 Dan Replinger & Jeff Kleban
